"TOLL HIGHWAYS AND BRIDGES AUTHORITY ACT"

PURSUANT to the provisions of the "Toll Highways and Bridges Authority Act," being chapter 37 of the Statutes of British Columbia, 1953 (Second Session), section 15 (1), His Honour the Lieutenant-Governor in Council, by Order in Council No. 2664, approved November 5th, 1957, has been pleased to approve the following regulations respecting the use and operation of the Nelson Toll Bridge, effective November 5th, 1957:—

NELSON TOLL BRIDGE REGULATIONS

*Interpretation*

1. In these regulations, unless the context otherwise requires:—

"Authority" means the British Columbia Toll Highways and Bridges Authority, and in respect of the granting of permits includes any person designated by it in writing for that purpose;

"Bridge" means the Nelson Toll Bridge, constructed over the West Arm of Kootenay Lake at Nelson under authority of the "Toll Highways and Bridges Authority Act," and the approaches to the same.

*Traffic Rules and Regulations*

2. *Application of Other Acts.*—The structure, bridge and approaches, is a public highway, and the provisions of the "Motor-vehicle Act," and other Acts relating to the operation of vehicles upon a public highway, are applicable thereto.

3. *Obedience to Traffic-control Devices.*—The driver of a vehicle shall obey the instructions of an applicable traffic-control device, except when otherwise directed by a peace officer or by an authorized member of the Authority or of the Department of Highways.

4. *U-turns.*—No person shall make a U-turn, or otherwise reverse the direction in which a vehicle is proceeding, while driving or operating a vehicle upon the bridge or approaches, unless otherwise directed by a peace officer or by an authorized member of the Authority or of the Department of Highways.

5. *One-way Traffic.*—Where a traffic-control device has been placed, painted, or erected upon the bridge or approaches, indicating the direction or manner in which vehicles shall proceed, no person shall drive or operate a vehicle other than in the direction or manner indicated, unless otherwise directed by a peace officer or by an authorized member of the Authority or of the Department of Highways.

6. *Parking.*—(1) No person shall stop, stand, or park a vehicle upon the bridge or approaches, except when it is necessary to comply with a traffic-control device, or with the direction of a peace officer or authorized member of the Authority or of the Department of Highways.

(2) In the event of a breakdown or other disablement of a vehicle on the bridge or approaches, any peace officer or duly authorized member of the Authority or Department of Highways may arrange for the necessary towing of the vehicle, or the supplying of gasoline, or such other assistance as may be necessary, and all charges in such connection shall be paid for by the driver or operator of the vehicle before it is removed from the bridge or approaches.

(3) In the event of a vehicle being unlawfully stopped, parked, or left standing on the bridge or approaches, any peace officer or duly authorized member of the Authority or of the Department of Highways may remove or cause the said vehicle to be removed from the place where it is found, and all charges or costs in connection with such removal or the storage of the vehicle shall be paid by the owner or operator of the vehicle before it is returned to the owner or operator thereof.

7. *Size and Weight Limitations.*—All overweight or oversize vehicles operated by virtue of a special permit issued in accordance with the provisions of the regulations made pursuant to Part III of the "Motor-vehicle Act" may be required to proceed upon the bridge and approaches only at specified hours and upon certain days of the week, subject to the approval of the Authority or of the Department of Highways.

8. *Explosives and Inflammable Liquids or Commodities.*—(1) No person driving a vehicle which is transporting explosives of a quantity requiring an Explosives Transportation Permit shall enter upon the approaches or attempt to cross the bridge without first having obtained a convoy or escort, to be supplied by the Department of Highways traffic patrol.

(2) Vehicles transporting loads or part loads of the following commodities, or vehicles transporting empty tanks which have contained any of the commodities listed below, in items (a) or (b), and have not been thoroughly cleaned with steam or filled with water, shall be required to proceed upon the bridge or approaches only during specified hours and upon certain days of the week:—

- (b) Oxygen, acetylene, or butane in standard approved containers;
- (c) Fuel-oil, road-oil, hot road mix, lubricating-oil or grease, solid or liquid asphaltum;
- (d) Explosives or corrosive liquids in small quantities.

9. *Prohibited Vehicles, etc.*—The following shall be prohibited from travelling upon the approaches or upon the bridge except by virtue of a special permit issued in accordance with the provisions of the regulations made pursuant to Part III of the "Motor-vehicle Act":—

- (a) Vehicles with metal tires, or pneumatic tires which are flat or not inflated with air;
- (b) Animals which are being led, ridden, or driven;
- (c) Push-carts, wheelbarrows, or similar devices;
- (d) Vehicles or loads which, in the opinion of the Authority or authorized member of the Department of Highways, would endanger persons or property or render the use of the bridge or approaches unsafe.

10. *Bicycles.*—Bicycles will be permitted only upon the sidewalks of the bridge or approaches.

11. *Pedestrians.*—(1) No pedestrian shall use the roadway, but shall proceed upon the sidewalk provided for that purpose and shall continue in one direction only.

(2) No pedestrian shall loiter or stop upon the bridge.

(3) No pedestrian shall climb upon or enter upon any portion of the bridge or approaches not intended for use by pedestrians.

12. *Tolls.*—(1) The Authority may erect and maintain at or on the bridge a toll-booth or toll-booths and may appoint and employ all necessary toll collectors and other officials necessary to direct and control them in the performance of their duties; all persons so appointed and employed shall be under the direction and control of the Authority.

(2) It shall be the duty of every toll collector appointed under this regulation to collect and enforce payment of the tolls imposed by this regulation, and otherwise to enforce due observance of the provisions of this regulation.

(3) The driver of any vehicle, and any pedestrian, entering upon or using the approaches or bridge structure shall comply with these regulations, and shall stop and pay the tolls according to the rates as fixed by the Authority.

(4) The provisions of these regulations shall not apply to persons who are actually engaged in the operation, maintenance, inspection, and repair of the bridge and approaches, except in so far as the payment of tolls is concerned.

13. *Penalties.*—Every person who violates any provision of these regulations, or refuses or neglects to observe or perform any duty or obligation created or imposed by these regulations, or who directly or indirectly evades or attempts to evade the payment of any toll which he is required to pay under these regulations, shall be liable, on summary conviction, to a fine of not more than three hundred dollars.
